I recently also stayed at Grove Park Inn, and I thought overall the stay at Pilot Cove was nicer and a better value.

IN THE WORKS

The best is yet to come! We are slated to open our 250 person outdoor amphitheater in Spring 2018. The Pilot Cove team is looking forward to hosting intimate music events, weddings, corporate retreats, yoga classes, and small festivals on our property.

We are also planning the expansion of our offerings to include 46 cabins for rent, along with a glampground with yurts and shelters.

Our goal is to encourage delightful exploration of the outdoor environment while providing unparalleled guest experiences.
